Dear Dr Zhumagulova

Independent Agency for Accreditation and Rating and Ukraine

I confirm that the World Federation for Medical Education has reviewed the correspondence from the National Agency for Higher Education Quality Assurance of Ukraine to the Independent Agency for Accreditation and Rating.

I am pleased to report that the

Independent Agency for Accreditation and Rating has Recognition Status
from the World Federation for Medical Education
for accreditation of medical schools in Ukraine.

A medical school in Ukraine accredited by IAAR will not be considered by the World Federation for Medical Education to be properly accredited unless it also has National Agency for Higher Education Quality Assurance of Ukraine accreditation.

Best wishes

David Gordon
