

MODERN PROBLEMS AND TRENDS OF HIGHER EDUCATION

Prof. Nigar Aslanova

AZERBBAIJAN UNIVERSITY OF ARCHITECTURE AND CONSTRUCTION

MODERN CHALLENGES IN HIGHER EDUCATION

- ❑ Accessibility
- ❑ Diversity
- ❑ Equal opportunity
- ❑ High tuition fees
- ❑ Creation of modern methodology

Needs in new
teaching forms

Addressing the
occasional mismatch
between job market
demands and the
specializations offered by
universities, which affects
the content of education
