

ENQA IN BRIEF

Who we are

Membership association of QA agencies:
60 members - 32 countries
41 affiliates - 27 countries

What we do

Represent interests
Provide services to members and stakeholders
Drive development of external QA

How we do it

Policy input	Projects
Events	Publications
Working groups	Agency reviews

- A key goal of the ...(ESG)... is to contribute to the **common understanding of quality assurance for learning and teaching**
- The ESG are not standards for quality, **nor do they prescribe how the quality assurance processes are implemented...**
- The EHEA is characterised by its diversity of political systems, higher education systems, socio-cultural and educational traditions, languages, aspirations and expectations. This makes a **single monolithic approach to quality and quality assurance in higher education inappropriate.**
