

**Requirements for
articles design for inclusion in the Forum Proceedings of
VI Central Asian International Forum**

For publication in the Proceedings, the article should be original, unpublished in other publications, materials can be provided in the Kazakh, English, or English languages; volume of publication 4 full pages in A4 format; all fields – 2 cm; font-Times New Roman, size 14, line spacing - 1.0; indentation - 1.25cm (indentation using the spacebar and tabulation keys are not allowed).

1. **Full name the author of the article in Kazakh / Russian and English** (bold italic, correct alignment, size 12); on the next line (italics, right alignment, size 12) - academic title, academic degree, position, place of work - the name of the university (**without specifying the organizational and legal form: LLP, etc.**), city and country (abbreviations are not allowed); the next line (italics, alignment right, size 12) - E-mail for contacts. **If there are several authors of the article, then they are listed sequentially.**

2. Through 1 line - **heading in Kazakh / Russian and English** (in capital, bold letters, center alignment, line size 14). The title should be no more than 8 words.

3. **Annotation in Kazakh / Russian and English** (justified alignment, size 12). The abstract must include a description of the article. The recommended average length of the abstract is not more than 50 words.

4. **Keywords** (given in Kazakh / Russian and English) no more than 5-word combinations, separated from each other by a comma.

5. Through 1 line - **text of the articles** (justified alignment, size 14). References to bibliographic sources are given in citations (references) - the ordinal number of a footnote in the text is drawn in square brackets (for example, [1]). The use of automatic page references is not permitted.

Figures are inserted into the text, signed (bottom, center) and numbered; they should also be separately provided in .jpg format. Pictures must be clear and of high quality. The minimum acceptable size is 300 dpi.

6. Through 1 line - the inscription "References", which is listed in the order as mentioned through numeration.
