ACCREDITATION AND RATING

IAAR Rating is constructed by ranking the HEIs' educational programmes and covers the following types:

- Institutional rating of HEIs by course areas.
- Rating of educational programmes by BA, MA, and PhD levels.
- "TOP-30" Rating of Kyrgyzstan HEIs' lecturers.

Institutional rating of HEIs by programme tracks. In calculation of an institutional rating of HEIs, indicators of all educational programmes of a specialization at the levels (BA, MA, PhD) are summed up. For instance, Education or Humanities, etc.

The rating of educational programmes at the levels BA, MA and PhD. This type of rating is constructed by summing up points for each indicator in accordance with the key parameters of indicators calculated automatically by means of the e-ranking program for educational programmes at the selected levels.

The rating of HEIs' lecturers "TOP-30" is constructed based on the quality indicators introduced by HEIs based on the key indicator parameters for evaluation of the BA and PhD educational programmes competitiveness.
