CEENQA General Assembly and Workshop 2023

Dear Alina Zhumagulova,

On behalf of our board and the entire CEENQA network, please let me express our deepest gratitude for hosting our General Assembly and Workshop 2023 in Astana. We are most grateful for the excellent preparation and the smooth organisation of the event and we are convinced that it was a wonderful opportunity for all our members to meet each other, expand our networks, exchange ideas and also to learn something about Kazakh culture, history and hospitality. I hope that you are as satisfied as we are with the course of the General Assembly and Workshop as well as with the accompanying social programme that you kindly organised.

Please pass on my thanks to all of your staff and everyone who was involved in the organisation both before and during the event.

I am looking forward to seeing you again at our future events and to continuing our fruitful cooperation.

Yours sincerely,

Franci Demšar

President of CEENQA
